

THE UNIVERSITY OF
WINNIPEG
DEPARTMENT OF PHYSICS

The Theoretical Physics Group at the University of Winnipeg invites applications for a postdoctoral position in gravitational physics, including quantum gravity, black holes, and compactifications of string theory. Other interests of our group include quantum information theory, cosmology, and particle physics.

Applicants should submit a curriculum vitae, a list of publications, a statement of research interests and must arrange for at least three letters of recommendation to be submitted. Applications should be received by March 1, 2012 for full consideration and should be submitted through the Academic Jobs Online website <https://academicjobsonline.org/ajo/jobs/1403>. We anticipate a start date of approximately August 2012. Please contact a dot frey at winipeg dot ca for further information.
