

## Soft Matter Canada (SMC2018)

Sunday 10 June 2018, 8:50 am – 6:00 pm

Dalhousie University (Halifax NS)

### Co-organizers:

- [Andrew Rutenberg](#) (Dalhousie University)
- [Laurent Kreplak](#) (Dalhousie University)
- [Anand Yethiraj](#) (Memorial University of Newfoundland)

A full day of talks, discussion, food, and posters, with the purpose of fostering Canadian scientists working in soft matter, which includes polymers, colloids, and bio-inspired systems. **All are welcome!** Please also see <http://softmatter.physics.mun.ca/events/meeting2018.html>

This is a satellite meeting of the annual [CAP congress](#), and **all attendees should register for SMC2018** through the CAP [registration system](#) that opens on April 1. There is only a modest charge for lunch for congress attendees, and a modest registration fee for people not otherwise attending the congress.
