

**DEPARTMENT OF PHYSICS**

**Three-Year Limited Term Appointment**

The Physics Department, St. Francis Xavier University, invites applications for a **three-year limited term appointment**, commencing July 1, 2021 and ending June 30, 2024, at the rank of Assistant Professor. Applications will be considered from candidates with expertise in any field of physics. This position is subject to final budgetary approval.

The successful candidate will be responsible for 18 credit hours of teaching at the undergraduate level. The specific courses assigned will depend on the particular expertise of the successful candidate. Established experience in teaching undergraduate physics would be an important asset, and a strong commitment to undergraduate teaching is a necessity. Applicants should have completed a Ph.D. in physics. Some postdoctoral experience is preferred, although not a necessity.

The Department is seeking candidates who are committed to contributing to StFX's priorities of equity, diversity, and inclusion. Demonstrated ability in fostering a climate of inclusion in the classroom is an asset.

Application material should include: a cover letter, a curriculum vitae, a statement of teaching interests and philosophy, a statement of research interests and the contact information for three references. Applications should be directed to Dr. Peter Marzlin, Chair and sent via email to:

The review of applications will begin on March 1<sup>st</sup>, 2021, and will continue until this position is filled.

*Only those selected for an interview will be contacted. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. StFX respects diversity and welcomes applications from visible minority group members, women, Indigenous persons, persons with disabilities and members of a sexual minority group.*
